Chairman Herzel also gave a summary of her meeting with Crystal Bennett, with Republic Services, and their services that they could provide to the residents. Members of the Commission discussed different recycling options and the possibility of house side or curbside pickup. The opinion of members was that the residents are wanting more options than just the house side pickup that was presented to them previously. The commission will research different options and return to the next meeting with ideas to possibly present to residents at a Town Hall meeting sometime in the fall of 2018.
